Young Stock for Lining or Bedding Out

The growing of young Evergreen and Deciduous Stock in small sizes suitable for bedding and lining out in nursery row has been a specialty with us for over half a century. That our stock gives satisfaction is attested by our rapidly growing list of customers, whom we supply year after year. All stock strong, healthy and well rooted. Excellent for bedding and lining out.

Quality is our watchword. Try us this year. Our stocks are always freshly and carefully dug, properly graded to sizes, plainly labeled and tied twice in bundles of 50 and 100 each.
